BULLETIN 89-1

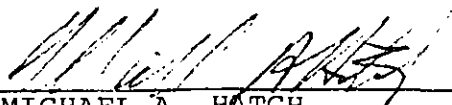

TO: All Property/Casualty Insurers Licensed in Minnesota

On November 5, 1985, Bulletin 85-8 was issued which, among other things, exempted from filing requirements commercial insurance policies written on an (a) rate basis, a "consent to rate" basis or a "single case rate" basis. The Bulletin noted that an order covering those situations would subsequently be issued.

No such order has ever been issued, namely due to the lack of authority to do so. Accordingly, this Bulletin is to advise you that within 90 days from the date of this Bulletin, insurers must begin to file all forms, rules and rates applicable to policies written on an (a) rate basis, a "consent to rate" basis or a "single case rate" basis.

Questions regarding this Bulletin should be directed to Mr. Mel Boynton, Department of Commerce, 500 Metro Square Building, St. Paul, MN 55101, (612) 296-3588.

Issued this 20th day
of February, 1989.

MICHAEL A. HATCH
Commissioner of Commerce
